SUBJECTS

Acclimatization, Remarks on. M. Critchley	245
Alkaptonuria with Familial Incidence, Associated with Spondylitis Ankylopoietica. J. W. L. Crosfill	173
Aneurysm, Traumatic, of the Femoral Artery. R. D. Bissett	257
Anuria, A Case of. A. J. Walton	58
Anxiety States, Temperature and Blood-pressure in. J. J. Keevil	82
Biliary Colic and Chronic Pancreatitis. R. J. Willan	211
Black Hole of Calcutta, A Medical Study of the. M. Critchley	158

	PAGE
Conjunctivitis, Gonococcal, Treated with Penicillin. A. J. Evans	176
Cranial Dysostosis. W. J. Latham	114
Delinquent, The Service. W. Gough	8
Ear Infection, Acute and Chronic Middle, Diagnosis and Treatment of. R. F. Hand	18
Eosinophilia, Pseudo-Leukæmic, complicated by Gangrenous Appendicitis, as a Possible Manifestation of Infectious Mononucleosis, with Observations on the Mutual Antagonism between Lymphocytes and Granulocytes. J. W. L. Crosfill	215
S Eve's Rocking Stretcher Ashore, Improvisation of. E. I. Puddy	33
Facio-Maxillary Injury, Severe, Treated at Sea. R. L. Kennedy and F. C. R. Lewis	36
Gonorrhœa, Resistant, Diagnosis and Treatment of. V. S. Shuttleworth	25
Gunnery and Blast Deafness. S. C. Suggit	151
Herpes, Trigeminal and Geniculate, without Facial Palsy. G. S. Irvine	108
Incisor, A Central, with Normal X-rays and Visual Appearances Causing Deceptive Symptoms. W. C. G. Ford	110
Lead Poisoning, An Unusual Case of. J. C. Gent	117
Lymphosarcoma, Gastro-Intestinal, A Case of. G. Wedd	111
Malaria Control, Recent Advances in. E. J. Mockler	252
Meningitis, Pneumococcal, Fulminating. F. L. Davies and N. de V. Mather	103
Mental Sequelæ in (1) Acute Carbon Monoxide Poisoning, and (2) Brain Injury. H. Gillies	60
Mononucleosis, Infective: Some Meningeal Features. B. Solomons	178
Neck, Fracture Dislocation of the, from Tripping when Walking, with Transection of the Spinal Cord. R. C. J. Hill	35
Ocular Palsy following Anti-Typhoid-Tetanus Inoculation. F. J. Curtis	180
Penicillin. A. Fleming	73
Peptic Ulcer Problem, The: A Series of 181 Cases from the Royal Canadian Navy. R. A. G. Lane	106
Persian Gulf. A Summer Tour in the. C. N. H. Joynt	237
Plague, Bubonic, in Dakar. C. M. H. Rotman	155
Ports, Small, Observations on. Robarts, C. J.	99
Prickly Heat and Tropical Pemphigus. A. M. Robertson	258
Psychiatric Survey of Naval Personnel, A. J. F. Burdon	248
Pyodermia in the Tropics: With a Description of Three Cases. A. R. Harper	170
Quinine and Mepacrine, The Parenteral Administration of. A. G. G. Toomey	29
Quinine and Mepacrine, Apparent Lack of Response to, in Cases of Subtertian Malaria. A. G. G. Toomey	254
Recruiting in General, Remarks on, and a Review of 1,000 Examinations for the Fleet Air Arm. E. B. Kenny	39
Regional Enteritis. R. C. Percival	85
Rescue, Convoy, Ships. J. W. McNee	1
Salt Deficiency States in Tropical Climates, Part 1. J. C. Stenning	129
Salt Deficiency States in Tropical Climates, Part 2. J. C. Stenning	195
Sandfly Fever, A Note on the Incidence of, in the Naval Camp at Haifa. R. I. Milne	179
Sciatic Syndrome, The. J. F. M. Campbell	24
Sepsis of Minor Injuries and Burns on Board Small Ships, Control of. E. Robinson	113
Septicæmia, Staphylococcal, Treated with Penicillin, A Case of. J. Dow	58
Smallpox, A Case of. C. V. Harries	111
Spinal Cord, Traumatic Lesions of the. M. A. Rugg-Gunn	228
Suction, Surgical, in Ships, The Provision of. S. C. Bright and A. I. L. Maitland	32
Tempora Mutantur. S. Jenkinson	110
Urinary Tuberculosis. J. Sandrey	45
Varicocele, Traumatic Rupture of a, Two Cases of. R. D. Bissett	177
Working Conditions of Boiler Cleaning Parties with Special Reference to Dust Inhalation. G. D. Channell	146
X-ray Therapy, Superficial and Medium, Some Observations on. D. R. F. Bertram	91
REVIEWS	62, 118, 181, 260
CORRESPONDENCE	67, 186
NOTICES	68, 128, 187, 194
NEWS OF THE SERVICE	68, 121, 189, 263
