Working Conditions of Boiler Cleaning Parties with Special Reference to Dust Inhalation ....... 146

Crichtley, M.
A Medical Study of the Black Hole of Calcutta ....... 158

Crosfield, J. W. L.
Alkaptonuria with Familial Incidence, Associated with Spondylitis Ankylopoietica, Pseudo-Leukemic Eosinophilia Complicated by Gangrenous Appendicitis, as a Possible Manifestation of Infectious Mononucleosis, with Observations on the Mutual Antagonism between Lymphocytes and Granulocytes ....... 215

Curtis, F. J.
Ocular Palsy following Anti-Typhoid-Tetanus Inoculation ....... 180

Davies, F. L., and Mather, N. de V. A.
Fulminating Pneumococcal Meningitis ....... 103

Dow, J.
A Case of Staphylococcal Septicaemia Treated with Penicillin ....... 58

Evans, A. J.
Gonococcal Conjunctivitis Treated with Penicillin ....... 176

Fleming, A.
Penicillin ....... 73

Ford, W. C. G. (The Late)
A Central Incisor with Normal X-rays and Visual Appearances Causing Deceptive Symptoms ....... 110

Gent, J. C.
An Unusual Case of Lead Poisoning ....... 117

Gillies, H.
Mental Sequelae in (1) Acute Carbon Monoxide Poisoning, and (2) Brain Injury ....... 60

Gough, W.
The Service Delinquent ....... 8

Hand, R. F.
Diagnosis and Treatment of Acute and Chronic Middle-Ear Infection ....... 18

Harper, A. R.
Pyoderma in the Tropics: With a Description of Three Cases ....... 170

Harrises, C. V.
A Case of Smallpox ....... 111

Hill, R. C. J.
Fracture Dislocation of the Neck with Transection of the Spinal Cord from Tripping when Walking ....... 35

Irvine, G. S.
Trigeminal and Geniculate Herpes Without Facial Palsy ....... 108

Jenkinson, S.
Tempora Mutantur ....... 110

Joynt, C. N. H.
A Summer Tour in the Persian Gulf ....... 237

Keevil, J. J.
Temperature and Blood-pressure in Anxiety States ....... 82
Index

Conjunctivitis, Gonococcal, Treated with Penicillin. A. J. Evans ..... 176
Cranial Dysostosis. W. J. Latham ..... 114
Delinquent, The Service. W. Gough ..... 8
Ear Infection, Acute and Chronic Middle, Diagnosis and Treatment of. R. E. Hand ..... 18
Eosinophilia, Pseudo-Leukemic, complicated by Gangrenous Appendicitis, as a Possible Manifestation of Infectious Mononucleosis, with Observations on the Mutual Antagonism between Lymphocytes and Granulocytes. J. W. L. Crossill ..... 215
Eye’s Rocking Stretcher Ashore, Improvisation of. E. I. Paddy ..... 33
Facio-Maxillary Injury, Severe, Treated at Sea. R. L. Kennedy and F. C. R. Lewis ..... 36
Gonorrhoea, Resistant, Diagnosis and Treatment of. V. S. Shuttleworth ..... 25
Gunnery and Blast Deafness. S. C. Suggit ..... 151
Herpes, Trigeminal and Genticulate, without Facial Palsy. G. S. Irvine ..... 108
Incisor, A Central, with Normal X-rays and Visual Appearances Causing Deceptive Symptoms. W. C. G. Ford ..... 110
Lead Poisoning, An Unusual Case of. J. C. Gent ..... 117
Lymphosarcoma, Gastro-Intestinal, A Case of. G. Wedd ..... 111
Malaria Control, Recent Advances in. E. J. Mockler ..... 252
Meningitis, Pneumococcal, Fulminating. F. L. Davies and N. de V. Mather ..... 103
Mental Sequelae in (1) Acute Carbon Monoxide Poisoning, and (2) Brain Injury. H. Gillies ..... 60
Mononucleosis, Infective: Some Meningeal Features. B. Solomons ..... 178
Neck, Fracture Dislocation of, from Tripping when Walking, with Transection of the Spinal Cord. R. C. J. Hill ..... 35
Ocular Palsy following Anti-Typhoid-Tetanus Inoculation. F. J. Curtis ..... 180
Penicillin. A. Fleming ..... 73
Peptic Ulcer Problem, The: A Series of 181 Cases from the Royal Canadian Navy. R. A. G. Lane ..... 106
Persian Gulf. A Summer Tour in the. C. N. H. Joyat ..... 237
Plague, Bubonic, in Dakar. C. M. H. Rotman ..... 155
Potts, Small, Observations on. Roberts, C. J. ..... 99
Prickly Heat and Tropical Pemphigus. A. M. Robertson ..... 258
Psychiatric Survey of Naval Personnel. A. J. F. Burdon ..... 248
Pyoderma in the Tropics: With a Description of Three Cases. A. R. Harper ..... 170
Quinine and Mepronine. The Parenteral Administration of. A. G. G. Toomey ..... 29
Quinine and Mepronine, Apparent Lack of Response to, in Cases of Subtropical Malaria. A. G. G. Toomey ..... 254
Recruiting in General. Remarks on, and a Review of 1,000 Examinations for the Fleet Air Arm. E. B. Kenny ..... 39
Regional Enteritis. R. C. Percival ..... 85
Rescue, Convoy, Ships. J. W. McNee ..... 1
